OFFICE OF THE CHIEF ELECTRICAL ENGINEER IN MYSORE, BANGALORE.

Power supply to Irrigation pumps.

Notification, dated 27th June 1936.

In accordance with the instructions contained in Government Orders Nos. 2695-97, dated 26th June 1935 and EDS. 2641, dated 20th May 1936, it is hereby notified for the information of the public that the monthly bills for power supply to irrigation pumps sent out by the Sectional or other Officers of the Electrical Department on the basis of actual consumption or minimum of eight annas per H. P., whichever is more, should be paid on or before the 15th of each month, pending adjustment of the excess, if any, at the end of the official year.

If the full amount as billed for is not so paid on the due date, the installation will be liable to be disconnected as in the case of Power and Lighting Installations.

No charge will be made towards the minimum when an installation is under disconnection either for arrears or at party's request, provided the annual payment, inclusive of the period of disconnection, is not less than Rs. 6 per H. P. installed. The reduced rate of Rs. 0-8-0 per H. P. per mensem is given effect to from the bills for power consumed in June 1936 payable in July 1936.

If the bills are not received by the consumers before the 5th of the following month, they can obtain the duplicate thereof from the supply office to make the payment within the due date. Non-receipt of bills shall on no account be accepted as excuse for delay in payment and service will be disconnected if the bills are not paid within proper time.

If one and the same consumer has different installations for different purposes, non-payment of dues on any one of the installations will entail disconnection of service to all or any other installations standing in his name.
